

Collection of Holiday Trees

Free collection of holiday trees will be offered from 12/26/09-1/31/10

Simply place your tree out at the curb next to your other carts on your regular day of collection. A special truck will be used for this service, so collection may happen hours before or after your garbage and recycling is picked up. Please remove all lights, decorations, tinsel and tree stands. Trees over 6-feet tall should be cut in half. Small trees may be placed inside your organics cart if that is preferable.

Please note: flocked trees are not accepted.
