

BAY-FRIENDLY GARDEN TOUR

Showcasing Natural Gardening Techniques

**Sunday, April 25, 2010
10 am – 4 pm**

The 7th annual self-guided tour continues to celebrate the diverse styles of Bay-Friendly gardens throughout Alameda County. Here's what you'll see:

- East Bay gardeners replace front lawns with vibrant perennials.
- Children and pets play in organic spaces that are healthy for the whole family.
- Backyard orchards complement flowering ornamentals and offer delicious fruit.
- Terraced hillsides provide places to gather and enjoy visiting butterflies and hummingbirds.

Forty private residential gardens will be open for this day only.
The gardens are conveniently located in geographic clusters for easy access.

FREE!

Registration is
required.
