Multi-Family (5+ Living Units)

Recycling is mandatory in Alameda County. Visit RecyclingRulesAC.org for details.

ACI offers cart and/or bin service to multi-family residential complexes with five or more living units. Please note that ACI provides integrated services and rates. Collection rates for recyclables and organics are NOT optional and are charged based on the number of living units. For help making the most of our recyclables and organics programs, review our Publications & Resources web page or contact us.

Commercial Recyclables & Organics Collection Programs

Recycling is mandatory in Alameda County. Visit RecyclingRulesAC.org for details.

For help making the most of our recyclables and organics programs, review our Publications & Resources page and contact us. We have representatives available who will visit your business to conduct a waste assessment, make service suggestions, and help train employees.

Commercial businesses are eligible to have up to 96 gallons of recyclables AND 96 gallons of organics service per week for no additional charge. **Below rates are for additional recyclables/organics service.**
